

Love is the Answer

(Copyright Len Magee 1978)

Dreaming Your Life Away

- 1 Down the misty mountains where the travellers lose their way
Where the ferns and waterfalls play music night and day
Soaking in its pleasures and what mystery breezes say
Dreaming your life away
Dreaming your life away
Dreaming your life away

- 2 Like an arc of fire above the margin of the world
The sun will sink and rise again while blankets are unfurled
Beneath a moon that's promiseless a million bodies curled
Dreaming their lives away
Dreaming their lives away
Dreaming their lives away

- 3 Down the misty mountains where the travellers lose their way
I can hear the voice of Wisdom crying night and day
Jesus on the cross-roads you must hear Him or you'll stay
Dreaming your life away
Dreaming your life away
Dreaming your life away
Dreaming your life away
Dreaming your life away

Job's Song

(Composed by Len & Heather Magee)

1 How can a man be just before God?
How can a man be just before God?
O I know my Redeemer He lives
O I know my Redeemer He lives
And He shall stand one day on this earth
And in my flesh I shall see God

2 O that I knew where I might find Him
O that I knew where I might find Him
O but He knows the way that I take
O He knows the way that I take
And though He slay me still will I trust
When He has tried me I'll be as gold

Simple Song

1 What can I do to say what I mean
When words fly away like a morning dream?
If I speak to you in mystery
What will that do for your eternity?
Chorus
So I'll just sing my song of Calvary
My simple, little song, for you and me
And I don't mind if you don't think I'm smart
I'm only saying what's on my heart

2 What can I do to say what I mean
When words fly away like birds that are seen?
The simplest thing I ever heard
Was so profound, was just one word
Chorus
So I'll just sing my song, etc.
Chorus
So I'll just sing my song, etc.
No I don't mind if you don't think I'm smart
I'm only saying what's on my heart

What Do You Think Of Jesus?

- 1 It's just a memory from your childhood days
If you ignore it it will go away
Something about a man and Calvary
Just a jaded faded memory

Chorus

Whatcha' think of Jesus Galilean man?
Whatcha' think of Jesus? Forget Him if you can
Whatcha' think of Jesus? What do you plan
To do with Him?

- 2 When you were young you sang in Sunday School
You weren't embarrassed then, you weren't a fool
There is a green hill far away, you sang
And down the corridors of time there rang

Chorus

Whatcha' think of Jesus, etc

- 3 You never thought that you would ever say
The words that Pilate said on that day
When Jesus stood before a frenzied crowd
And Pilate washed his hands and said out loud

Chorus

Whatcha' think of Jesus, etc.
Make up your mind
Make up your mind
You've got to make up your mind
You've got to make up your mind

Can God Forget? (Isaiah 49: 15-16)

1 Centuries of years have gone by
The land where we live is so dry
Oh when will the Lord hear our cry?
God give us this land or we die

Chorus

Can the rivers forget how to run?
Can a woman forget her own son?
Can the sun cease to set?
Yes they can, but my God can't forget

2 The land that we live in it sleeps
But somewhere a soul softly weeps
Oh when will my God move His hand?
Or doesn't the Lord understand?

Chorus

Can the rivers forget, etc.

3 Lord in Your Word we have read
That You can make life from the dead
Oh why then have You not moved yet?
Can it be that my Lord could forget?

4 Children how small is your faith?
Is My hand so short it can't save?
How can I forget even one
When I look on the hands of my Son?
Chorus

Can the rivers forget, etc.

Only Love Is The Answer

1 As you sit there in your room, thinking O I've been a fool
I played the game of life and I lost
Satan wasn't very nice, he loaded all the dice
And now you find it hard to pay the price

Chorus

Only love is the answer
Only love is the way
Only love is the reason
Jesus took my burdens all away

2 As you walk the crowded street, take care to place your feet
For broken lives are strewn along the way
These were folk who did not know, you reap just what you sow
And the price is much too hard to pay

Chorus

Only love is the answer, etc.

Who Made The Animals Eyes?

(Composed by Heather Magee)

1 Who made the animals eyes?
Who made the mountains to rise?
Who puts the clouds in the skies?
My God – He made them all

2 How does the sun rise and fall?
Who made the blackbirds to call?
Who made the trees and their leaves?
My God – He made them all

Chorus

He made the sparrow so small
He even knows when they fall
He made the worlds in their glory
But He loves you much more than them all

2 Who made the fish in the sea?
Who made the wings on the bee?
Who made the dew on the flower?
My God – He made them all

Chorus

He made the sparrow so small, etc.

4 Who made the animals eyes?
Who made the mountains to rise?
Who puts the clouds in the skies?
My God – He made them all
My God – He made them all

When The Shepherd Came Home

- 1 Husband of mine where have you been?
You've been away since the evening
Smile on your face, eyes all aglow
It seems you can't stop beaming
Ooh, I've seen the Saviour
Ooh

- 2 Where are the sheep? Did you fall asleep?
What did you think I was feeling?
What's this you say? A King born today?
And angel voices singing?
Ooh, I've seen the Saviour
Ooh

- 3 How can this be? When can we see?
Shall I wake up the neighbours?
O husband of mine, surely there's time
Take me to see the Saviour
Ooh, I've seen the Saviour
Ooh
Ooh, I've seen the Saviour (repeat)

Mystery Tour

- 1 Have you ever stopped and wondered
Just who you are and where you're going to?
Have you ever stopped and wondered
Just who you are and where you're going to?

Chorus

O dream your little dreams
Every day it seems
The things of God aren't worth knowing
On a mystery tour you are going

- 2 Have you ever stopped and wondered
What the hands and feet of Jesus really mean?
Have you ever stopped and wondered
What the hands and feet of Jesus really mean?

Chorus

O dream your little dreams, etc.
Come on wake up from your sleep
Please don't dream your life away
Come on wake up from your sleep
Please don't dream your life away
On a mystery tour you are going

- 3 Have you ever stopped and wondered
Why the grave is empty and we're singing now?
Have you ever stopped and wondered
Just who you are and where you're going now?

Chorus

O dream your little dreams, etc.

I'll Go Before You

- 1 As I have been with you throughout the year
I'll go before you, so have no fear
And I will bring you to the land that I have chosen
I'll go before you, so have no fear.

Chorus

A land which flows with milk and honey
With mountain streams and winding valleys
A land wherein I'll go before you
My eyes are on this land the whole year through

- 2 You may not understand what I am doing
I'll go before you, so have no fear
In fire and flood and cloud, I'll still be moving
I'll go before you, so have no fear

Chorus

A land which flows, etc.
I'll go before you, so have no fear
