## Son of a King

1      Some folk are rich, some folk are poor  
Some folk they don't know what they look for  
What are you going to do, friend?  
What are you going to do?  
Some folk get jobs, some people don't  
Some wish they would yet somehow they won't  
What are you going to do, friend?  
What are you going to do?

*Chorus:*

I'm the son of a King, I am  
I'm the son of a King, I am  
Jesus has given me everything  
Made me the son of a King

3      Some people wander, some people stay  
Some may go straight and others they stray  
What are you going to do, friend?  
What are you going to do?  
Some people stop, some people start  
Some want to leave, and yet they won't part  
What are you going to do, friend?  
What are you going to do?

*Chorus:*

I'm the son of a King, etc.

5      Some go to Heaven, some go to Hell  
But when you ask there's some who can't tell  
What are you going to do, friend?  
What are you going to do?  
Some people laugh, some people cry  
But this I know, we've all got to die  
What are you going to do, friend?  
What are you going to do?

*Chorus:*

I'm the son of a King, etc.

(Repeat *Chorus:*)

## This Ole Mountain

- 1 Sometimes in the pain and the sorrow  
This ole world is facing today  
I'm afraid, so afraid of tomorrow  
But then I hear Jesus say:  
'This old mountain shall be removed'  
This old mountain shall be removed  
In the depth of the sea, Jesus said it would be  
This old mountain will be removed
- 2 Sometimes when I think of my sin  
I just call for help from above  
Then the Spirit takes me oh so gently  
And He points me again to the blood  
And this ole mountain shall be removed, yes it will  
This ole mountain shall be removed  
In the depth of the sea, Jesus said it would be  
This ole mountain shall be removed
- 3 One day soon He's coming to take me  
To a home He's preparing on high  
When I see Him I shall be like Him  
And I'll live never more to die  
And this ole mountain shall be removed, hallelujah!  
This ole mountain shall be removed  
In the depth of the sea, Jesus said it would be  
This ole mountain shall be removed  
This ole mountain shall be removed

## Who Told You

- 1 Who told you that you could be free  
Without having been to the place Calvary?  
And who told you that you in your sin  
Could stand at God's door and He'd let you go in?  
And who told you that Jesus died  
Without having said that He's alive?  
Arise and shine, the light it has shone  
Arise and shine, the darkness has gone  
Come to Jesus and there at the cross there's a stream  
Come to Jesus and He'll make you clean  
Come to Jesus and He'll make you clean
- 2 Who told you, you can know the way  
And you must drift through your life day by day?  
And who told you that He is not real  
And we only know what we see and we feel?  
And who told you that Jesus died  
Without having said that He's alive?  
Arise and shine, the light it has shone  
Arise and shine, the darkness has gone  
Open wide your heart's door and you'll truly find  
That in Jesus there is peace of mind  
Yes in Jesus there is peace of mind

## I Do Know

- 1 Children crying, people dying, not knowing why  
People walking, endless talking, life's just a lie  
Lost in a wilderness of concrete made by man  
Which way to turn? Which way to go?

*Chorus:*

If you ask me to tell you  
All the reasons why these things  
Are happening around us  
I can't say a thing  
But I do know that Jesus is alive  
You've gotta believe me  
I do know that Jesus is alive

- 2 People idle, suicidal, don't want to live  
World of sorrow, and tomorrow, what can it give?  
Lost in this wilderness of concrete made by man  
Which way to turn? Which way to go?

*Chorus:*

If you ask me, etc.

- 3 Mass confusion, man's delusion, a shattered dream  
People hating, then debating what might have been  
Lost in this wilderness of concrete made by man  
Which way to turn? Which way to go?

*Chorus:*

If you ask me to tell you  
All the reasons why these things  
Are happening around us  
I can't say a thing  
But I do know that Jesus is alive  
You've gotta believe me  
I do know that Jesus is alive  
It's true, it's true  
I do know that Jesus is alive  
You've just gotta believe me  
I do know that Jesus is alive

## Sir We Would See Jesus

1 The preacher has gone but the crowd lingers on  
Wondering what he has said  
He's wasted his time on the intellect line  
Giving them stones and not bread  
Ah, Satan's oppressions and their own transgressions  
Are driving my people insane  
But deep in the crowd, and though not very loud  
Someone is praying:  
Sir, we would see Jesus  
Sir, we would see Him  
For no one else can satisfy  
And no one else can take away our sin

2 A hoar-white child spent his life running the wild  
He listened but he never heard  
But while he was sleeping, a woman was weeping  
She cried out but nobody heard  
Ah, Satan's oppressions and their own transgressions  
Are driving my people insane  
But deep in the crowd, and though not very loud  
Someone is praying:  
Sir, we would see Jesus  
Sir, we would see Him  
For no one else can satisfy  
And no one else can take away our sin  
No, no one else can take away our sin  
Ah, no one else can take away our sin  
No, no, no,  
No one else can take away our sin

## I'm A Pilgrim

- 1     There's a book I use to guide me to a city far away  
      And I'm on my way to live there, I get closer every day  
      Now this city has no sunset, there's no darkness anywhere  
      For the Lord of light and glory, yes the Lamb of God is there  
      I'm a pilgrim, I'm a stranger  
      I'm a traveller going home
  
- 2     Now this city has no temple, for the Lord Emanuel  
      In the midst of all His people, He for ever more will dwell  
      And this city has a government, the Lord upon His throne  
      And love and justice, righteousness, and peace will feel at home  
      I'm a pilgrim, I'm a stranger  
      I'm a traveller going home
  
- 3     Now this city is eternal so you'll never die again  
      God will wipe away all crying and He'll take away all pain  
      So you'll never hear a whisperer of sorrow or see a tear  
      Just endless praise and singing, and love instead of fear  
      I'm a pilgrim, I'm a stranger  
      I'm a traveller going home
  
- 4     I've got just one thing to say now before my song is through  
      I hope and pray with all my heart that you are going too  
      I'm a pilgrim, I'm a stranger  
      I'm a traveller going home  
      Yes I'm a pilgrim, I'm a stranger  
      I'm a traveller going home

## Harvest Is Past

1 I saw a crowd of people  
Walking on a wide wide road  
Dressed in rags and groaning  
From the burden of a heavy load  
Oh it is sad they just won't listen  
A life of sin they crave  
Harvest is past, summer is ended  
Lord, they're still not saved

*Chorus:*

Lord, they're still not saved  
Lord, they're still not saved  
Harvest is past, summer is ended  
Lord, they're still not saved

(Bridge)

Now here in our reach we have power to preach  
Our Jesus who came from above  
But how can they know unless we will go  
And tell them all of His love

2 I saw a crowd of children  
Walking in an evil way  
They'd never heard of Jesus  
They don't know how to pray  
Oh it's sad they just won't listen  
A life of sin they crave  
Harvest is past, summer is ended  
Lord they're still not saved

*Chorus:*

Lord, they're still not saved, etc.

(Bridge)

Yes, here in our reach, etc.

## Be Still

1 I n the hustle and the bustle of this busy world today  
Nobody's got the time to hear what God would say  
Moving in your mind so quickly, confusion seems to reign  
Don't you think you ought to stop and hear what God is saying:  
Be still and know that I am God  
They who wait upon Me  
Will never be ashamed, they'll see  
The glory of my love for them  
If they'd only be still  
They'd know that I am God  
Thou wilt keep in perfect peace  
Those whose minds are stayed on Thee  
And who trust you patiently  
If they'd only be still  
Please be still

2 Hurry Hurry is the password, I gotta get my daily bread  
We're too busy talking to hear what God has said  
Though today we're changing, Jesus is the same  
He still waits to comfort those who call upon His name  
Be still and know, etc  
Won't you only be still  
Won't you only be still  
Please be still

## Jesus Sets Me Free

1 I've been down into the deepest valleys  
And I've been up to heights of ecstasy  
But nowhere could I find  
This thing called peace of mind  
Life was just a prison cell to me

*Chorus:*

But now I'm so glad I've got Jesus  
And every day He whispers to me:  
'I didn't have to die  
But I loved you, didn't I?'  
Hallelujah, Jesus sets me free

2 Now I have friends who left me when in trouble  
I didn't know that life could be so cruel  
Till one by one I found  
Oh they only let me down  
Life was just a prison for a fool  
(But now I'm free)

*Chorus:*

But now I'm so glad I've got Jesus  
Yes I have now  
And every day he whispers to me:  
'I didn't have to die  
But I loved you, didn't I?'  
Hallelujah, Jesus sets me free

3 Outside the prison walls there's lots of people  
Slaves to sin, and slaves to Satan's rule  
They tell themselves they're free  
But oh they just can't see  
Life is just a prison for a fool  
(And now I'm free)

*Chorus:*

But now I'm so glad I've got Jesus  
And everyday He whispers to me:  
'I didn't have to die  
But I loved you, didn't I?'  
Hallelujah, Jesus sets me free  
Hallelujah, Jesus sets me free  
(He sets me free)

## God Is Love

- 1 I've seen the little children, I've seen their mamma's tears  
I've wondered at the heartache and suffering through the years  
Why don't you do something instead of sittin' up there?  
But then He showed me something of how He really does care  
When I saw Jesus on the cross  
Dying for me, bleeding for me  
Yes I saw Jesus on the Cross  
And I knew God is love
  
- 2 I've come to realize now, it's no use blaming God  
If man can't love his brother but treats him like a dog  
If you want God to do something, then what's He supposed to do?  
Don't you know, to end it all, He'll have to start with you?  
You must see Jesus on the cross  
Dying for you, bleeding for you  
You must see Jesus on the cross  
And you'll know God is love  
Yes I saw Jesus on the cross  
And I knew God is love

## The Prince Of Peace

- 1 He shall come down like the rain in the spring  
Like dew in the meadow, and then you will sing  
The Prince of Peace  
The Prince of Peace
- 2 And as the breeze through the trees gently blows  
In rivers of fragrance He comes and He goes  
The Prince of Peace  
The Prince of Peace  
(Bridge)  
People all around  
Searching for peace  
Troubles bringing them down  
Is there any release?
- 3 Peace that has been from the mountains of old  
Like children a-sleeping, the lambs in the fold  
The Prince of Peace  
The Prince of Peace  
(Bridge)  
People everywhere  
Searching for peace  
Laden down with care  
Is there any release?
- 4 Peace shall come down like rain in the spring  
Like dew in the meadow, and then you will sing  
The Prince of Peace  
The Prince of Peace  
The Prince of Peace
