

The Presence of Your Spirit

(Copyright Len Magee 1974)

The Ark

- 1 God looked down upon the world many years ago
He saw the awful sin of man about to overflow
Only Noah was righteous, only Noah walked with God
Only Noah believed Him when He said there'd be a flood

- 2 Now God told Noah to build an ark: 'Build it big and wide
Round up all the animals and put them safe inside
Then come in with all your folk and I will close the door
And in the morning this world will be no more'
Chorus:
Are you in the ark? Or are you outside?
O don't hesitate, you'll be too late
The door's open wide
(repeat chorus).

- 3 Now people stood outside the door just like they do today
They fell about all laughing at Noah's funny ways
'Ha! Noah's built himself an ark to sail it on dry ground'
Meanwhile up above them the sky began to frown
Chorus:
Are you in the ark?, etc.

- 4 Forty days and forty nights the rain came tumbling down
Everyone inside the ark was warm and safe and sound
Only those outside now they weren't laughing any more
Rain and tears were mingled as they scratched upon the door
Chorus:
Are you in the ark?, etc.

- 5 Now Jesus is God's ark today and in Him you must be
His side was opened wide for you and me on Calvary
If you're in Him and He's in you then you'll be lifted higher
When God comes back to judge the world next time in flaming fire
Chorus
Are you in the arc?, etc.
(Repeat chorus several times)

Not My Own

- 1 The Garden of Eden saw Adam and Eve
The sin they did there caused all men to grieve
Faced with a choice to rebel or obey
Hear them say, 'Want my own, I want my own
I want my own will not Thine'

- 2 All over the world in these last days of time
Lost deep in sin, the people are crying
'We don't want Jesus, we don't want your law'
Hear them say, 'Want my own, I want my own
I want my own will not Thine'
Has God spoken to your heart any time?
Has He said: 'Make your will become Mine'?

- 3 Who could there be who could save us from sin?
Who'd open Heaven and let us go in?
God sent His Son from the glory above
Hear Him say, 'Not my own, no not my own
No not my own will but Thine'
Has God spoken to your heart any time?
Has He said: 'Make your will become mine'?

- 4 See in the Garden of Gethsemane
Jesus, He prayed there for you and for me
See as He struggled and sweat drops of blood
Here Him say, 'Not my own, no not my own
No not my own will but Thine
No not my own, no not my own
No not my own will, but Thine

Only A Prayer Away

- 1 One day I heard the ancient story
Of a cross on a hill far away
And now I've a friend up in glory
And He's only a prayer away
Chorus:
O He never would say: 'I'm too busy today'
Every tear, every care, He's promised He will share
And although He's the Lord of all glory
Yet He's only a prayer away.

- 2 Sometimes I don't feel much like praying
But He speaks words of love just the same
And deep in my soul there starts flowing
Living waters, songs of praise to His name
Chorus:
O no He never would say, etc.

- 3 If I keep the cross e'er before me
As I die I will live day by day
If I sin, If I fall, He'll restore me
For He's only a prayer away
Chorus:
O no He never would say, etc.
Yes although He's the Lord of all glory
Yet He's only a prayer away

That Day

- 1 I'm looking forward to that day
The clouds of life will blow away
When Jesus comes and takes me to be with Him
The bells of Heaven they will ring
And everywhere the saints will sing
When Jesus comes and takes me to be with Him
That will be dawn in my heart on that day
That will be joy that no words can ever say

- 2 There is gonna be no doubt
I'll hear the trumpet and a shout
When Jesus comes and takes me to be with Him
First there's gonna be a hush
Then there'll be a great big rush
When Jesus comes and takes me to be with Him
That will be dawn in my heart on that day
That will be joy that no words can ever sa

- 3 Yes I'm looking forward to that day
The clouds of life will blow away
When Jesus comes and takes me to be with Him
The bells of Heaven they will ring
And everywhere the saints will sing
When Jesus comes and takes me to be with Him
Ah when Jesus comes and takes me to be with Him
When Jesus comes and takes me to be with Him

You Can Know

- 1 You've seen the birds and trees
 The mountains and blue seas
 You've watched as nature's mysteries unfold
 But somewhere in the blue
 When God first spoke to you
 You've tried to tell yourself they all evolved
 Chorus:
 You can know peace of mind today
 You can know the great joy of the knowledge
 Of all of your sin washed away
 You can live your life and be strong
 You can know the right from the wrong
 But if you turn away His love today
 You don't know when He'll call

- 2 Somewhere in your mind
 You're waking up to find
 There's an awful lot of nothing in your heart
 And now the time has come
 When something must be done
 Don't you think you ought to make a start?
 Chorus:
 You can know, etc.

- 3 Somewhere deep inside
 A door must open wide
 And let the Saviour of the world come in
 His love you can't ignore
 So open up the door
 The thing that keeps it closed is really sin
 Chorus:
 You can know, etc.
 He'll call
 No you don't know when He will call

Come With Us

- 1 What have you got to live for in a world that's slowly dying?
 Where everything you have will pass away (and you know it)
 What have you got to die for if you don't know where you're going?
 Jesus offers you a better way
 Come with us and we will do you good
 For the Lord has spoken good concerning Israel
 Come with us and we will do you good
 For the Lord has spoken good concerning Israel

- 2 Now you can't see the church of Jesus if you only see the building
 And that's what Satan wants the world to see (that's what they're seeing)
 But the church is made of people who have been forgiven and their hearts are
 yielding
 To the Lord, Lord eternally
 So come with us and we will do you good
 For the Lord has spoken good concerning Israel
 Hear the words of Moses
 Come with us and we will do you good
 For the Lord has spoken good concerning Israel*
 *Numbers 10 v 29

Watch And Pray

(Composed by Len Magee and Gwen Murray)

- 1 Tomorrow I'm going away
There's a shadow of a cross on my soul
Can I face the coming day?
Shall I pray 'Father save me from this role?'
Chorus:
O disciples please watch o'er my soul one hour
Dark and lonely is the way
For my purpose in life was to come to this hour
So please watch and pray
- 2 Let this cup pass away from me
If there is no other way to fulfill
I will lay down my life for Thee
For my joy and delight is Thy will
Chorus:
O disciples please watch, etc.
- 3 Tomorrow I'm going to die
My disciples are going to see
That If I am lifted high
I will draw a multitude unto me
Chorus
O disciples please watch, etc.
Please, please, please watch and pray
Please, please, please watch and pray

Walk With Jesus

- Chorus:
Walk with Jesus every day
And He's promised to guide you all the way
Walk with Jesus straight and pure and you'll see
Walk with Jesus and you'll be free
- 1 What you are at this moment has some bearing
On the way you'll face your life in years to come
If you're wise you will spend your life preparing
And stop living for the moment's passing fun
Chorus:
And walk with Jesus every day
For He's promised to guide you all the way
Walk with Jesus straight and pure and you'll see
Walk with Jesus and you'll be free
 - 2 Now the road that leads to life is strait and narrow
And there's few there be that find it, sad to say
But our Father has His eye upon the sparrow
He will lead you, bring you to the perfect day
Chorus:
So walk with Jesus every day
And He's promised to guide you all the way

Walk with Jesus straight and pure and you'll see
Walk with Jesus and you'll be free
Walk with Jesus
Every day now

The Voice Of Jesus

- 1 A lonely heart, a thirsty soul cross the world did roam
Looking for I don't know what, trying to find a home
Then I heard a voice say 'I'll set you free'
T'was the voice of Jesus calling to me:
Chorus: (Joshua 1 v 9).
Be strong and of good courage
Be not afraid, neither be thou dismayed
For the Lord thy God is with thee
Whithersoever thou goest
- 2 A lonely heart, a thirsty soul heard that voice with tears
And at the cross upon my knees I gave Him all my fears
I'd never heard a voice before so tender, so sweet
T'was the voice of Jesus calling His sheep
Chorus:
Be strong, etc.
- 3 A lonely heart, a thirsty soul are just a memory
For Jesus lives, and always gives peace and joy to me
How could I resist it, that voice from above?
I heard the voice of Jesus and I fell in love

The Day Will Come

- 1 Many days have come and gone since my Lord spoke to me
And He opened up the archives of my mind so I could see
Said His love had got no end and He'd always be my friend
And I don't feel quite so home here any more
Chorus:
But I know the day will come when I will look upon His face
And He'll take me home to distant lands
Yes I know the day will come when I will look upon His face
And I'll see the nail prints in His hands
Yes I'll see the nail prints in His hands
- 2 All the pleasures of this world grow dryer day by day
And I only burn my hands as I touch them on the way
And I see in looking round everything is falling down
And I don't feel quite so home here any more
Chorus:
But I know the day will come, etc.
- 3 God has given me a seal that Jesus is real
By His Spirit in my heart, and more and more I feel
That I'm just not satisfied, I'm like the waiting bride
And I don't feel quite so home here any more.
Chorus:
But I know the day will come, etc.
